

Adobe Creative Suite 6

Student download guide

Students can download and use the Adobe Creative Suite 6 (CS6) for free on one personally owned device. This step-by-step guide outlines the process for downloading the Adobe CS6 software.

1. Login to the student portal using your DEC Username and password
2. Within the Learning portlet, click on **Adobe DEC Download Software**. You will then be directed to the Kivuto website

3. Click on the **Sign in** link and enter your School /DEC Username (firstname.lastname@education.nsw.gov.au) and password

Then click on the **Register** button

- 4. Enter your DEC/School email address
(firstname.lastname@education.nsw.gov.au)
and click **Continue**

- 5. A confirmation email will be sent you your DEC/School email account.

Open your School email and find the confirmation email, then click on the confirmation URL to validate your email address.

- 6. Your DEC/School Username and email address will automatically be populated in the Account Registration page. Complete the form by filling in the compulsory fields, identified by an asterisk (*) and click **Register**.

- 7. A login will be created. You can now order software by clicking on **Download Software**

8. Click on the **Adobe** tab and select the software you wish to download

9. Select the **Windows** or **Mac** version and then click on **Add to Cart**

10. Click on **Check Out** or **Continue Shopping**

11. The next page will show the expiry date of the software that is being downloaded. Click **Continue**

12. Check your order details and click on **Proceed With Order**

13. Click **Start Download**

Get Your Software in 4 Easy Steps

1. **Download the Secure Download Manager (SDM) installation file** [?]
If you have completed this step previously, go to step 2.
[Download SDM](#)
2. Locate the file from step 1 and run it to **install the SDM** [?]
3. **Download the .SDX file for your order** [?]
[Download .SDX](#)
4. When the SDM launches, **start downloading your software.** [?]
If the SDM application does not launch automatically, locate the file from step 3 and open it to download your software.

14. Click **Download SDM** and **Save**

Do you want to run or save **SDM_EN.msi** (757 KB) from **nsw-students.onthehub.com**?

[Run](#) [Save](#) [Cancel](#)

15. When the software download is complete click on **Run**

The SDM_EN.msi download has completed.

[Run](#) [Open folder](#) [View downloads](#)

16. The Secure Download Manager Wizard will pop up. Click on **Next**

Secure Download Manager

Welcome to the Secure Download Manager Setup Wizard

This wizard will guide you through the steps required to install the Secure Download Manager on this computer.

When the SDM has been installed, you will be able to download your software.

The SDM provides for secure, effective and efficient downloads, especially for files that are too large for some browsers to download. You receive the software that you ordered, safely and completely.
