UNIFORM DRIVE

Recycle Your School Uniform!

Given the success of our second hand uniform stall at our year 7 Orientation day last year, the P&C will once again be accepting your unwanted and outgrown uniforms in order to on-sell them to our school community at a later date. It is a great way to recycle items that still have life left in them. Many families appreciate being able to buy secondhand uniforms for their children. We would also like donations of TIA and FTT aprons that students no longer use so that they too can be upcycled! All money raised will benefit our school. The school office will be happy to accept items donated anytime. We ask that you kindly launder items of clothing prior to donating. Contact our P&C Vice President at [macquariefieldshighschool-vp1@pandcaffiliate.org.au](mailto:vp1@pandcaffiliate.org.au) with any questions you may have. We thank you in advance for recycling your school uniforms with us.

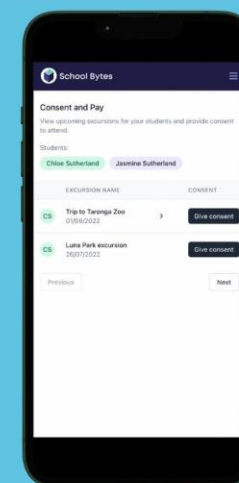

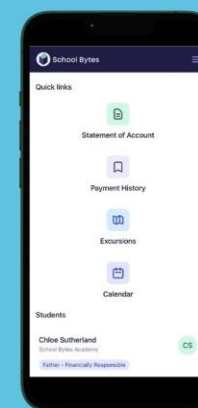

“Even the smallest donation can make a big impact!”
